

## **Protected Disclosure Annual Report 2020**

### Annual Report of the National Library of Ireland under the Protected Disclosures Act, 2014

As a public body, the NLI is required under section 22 of the Protected Disclosure Act 2014 to publish an annual report in relation to the number of protected disclosures made to it in the preceding year, and the action taken in response to any such protected disclosure.

Pursuant to this requirement, the NLI confirms that one report was received and investigated in accordance with the provisions of the Protected Disclosure Act 2014. An investigation was carried out into the protected disclosure which resulted in the determination that the disclosure was unfounded. The discloser was informed and the matter is closed.
